

PRAVEEN MOORTHY K

Python Django Developer

+91 6379106918 | praveenmoorthy603@gmail.com | Pudukkottai, Tamil Nadu | linkedin.com/in/praveenmoorthi

PROFESSIONAL SUMMARY

BCA graduate with hands-on experience in Python and Django backend development. Proficient in building RESTful APIs using Django REST Framework, managing SQL databases with CRUD operations, and following clean code and modular design principles. Seeking an entry-level Python Django Developer role to contribute to scalable web application development.

TECHNICAL SKILLS

- **Programming Language:** Python
- **Backend Framework:** Django (Class-Based Views, Django REST Framework, Project Development)
- **API Development:** RESTful API Design and Development
- **Database:** SQL — CRUD operations, queries, joins, query optimization
- **Tools:** Visual Studio Code, Postman, Microsoft Office (Word, Excel, PowerPoint)
- **Web Basics:** HTML, CSS
- **Concepts:** Backend development, Web application structure, Modular design, Clean code practices

PROJECTS

Smart Complaint Management System

Python | Django | REST API | SQL

Personal Project

- Designed and developed a scalable backend system to manage and track user complaints efficiently
- Implemented complete CRUD functionality using Django, ensuring smooth data handling and reliability
- Structured and optimized database operations using SQL for better performance and faster query execution
- Integrated complaint status tracking, advanced filtering, and search functionality
- Developed RESTful APIs to enable seamless communication between frontend and backend systems
- Implemented input validation and error handling to improve system robustness
- Followed clean code practices and modular design for maintainability and future scalability

WORK EXPERIENCE

Spoken English Trainer

2024 – Present

SWIFT Language Training Academy

- Delivered English grammar instruction to students in a clear and structured manner
- Assisted students in improving writing and verbal communication skills
- Developed lesson plans and practice materials to reinforce learning outcomes

Data Entry Operator & Internet Services

2023 – 2024

KM Associates

- Entered and updated customer information accurately into the company system
- Verified and corrected data records to maintain quality and accuracy standards
- Completed daily data entry tasks on schedule and supported general office operations

EDUCATION

Bachelor of Computer Application (BCA)

2018 – 2021

GTN Arts College, Dindigul — Madurai Kamaraj University | 75%

Higher Secondary Certificate (HSC)

2017 – 2018

Government Higher Secondary School, Pudukkottai | 70%

Secondary School Certificate (SSC)

2015 – 2016

LANGUAGES

English (Fluent) | Tamil (Native) | Hindi (Basic)
